

New Brigden School Update

December 19, 2025

*Merry
Christmas*

PRINCIPAL'S MESSAGE – MS. PONCELET

December has been a full and festive month here at our school! Report cards have gone out, and parent-teacher interviews are now wrapped up. A heartfelt thank-you to all the families who took the time to connect and discuss their child's learning journey. Your ongoing involvement makes such a difference, and I encourage you to reach out at any time if you'd like an update on progress—the door is always open. Our next report cards will be sent home in March.

As the year winds down, it's wonderful to look back on what a lively and joyful month this has been. The excitement in our classrooms during various winter celebrations has been infectious! Our Winter Wonderland event was another great success—thank you to all the vendors who participated and to all the families who came out to join the fun. It was wonderful to see everyone visiting, laughing, and finding unique gifts for loved ones.

This year's Christmas concert was especially memorable, marking our first performance in the new Community Hall. A big thank-you to everyone who attended and supported our students. Your enthusiasm, along with the thoughtful treats and gifts shared throughout the season, have made this busy time extra special.

As we close out the year, I want to wish each of you a safe, restful, and joy-filled holiday season. May your days be full of warmth, laughter, and treasured moments with family and friends. We look forward to welcoming everyone back in January for another exciting chapter together!

NEWS FROM MRS. TYE

Well, here is our last Newsletter for 2025! December has been a very busy month practicing for our concert as well as lots of fun filled learning activities. The kids gave a great performance at their concert last night. They should all be very proud of themselves! Thanks to everyone who attended.

We had some fun spirit days this month starting with Christmas Sweater Day, Christmas Sock Day, and Pajama Day. Lots of fun was had by everyone who participated.

In Art my Grade 4,5.6 class made some sweet Christmas gifts for their Grandparents as well as a cute gingerbread village using milk cartons complete with gingerbread people. Grades K-3 also created several unique Christmas pieces too. Pastel Christmas light, and elf leg drawings as well as a salt dough creation just to name a few. Great job!

Thanks to everyone who contributed to the Food Bank box at our concert this year. Thanks to Katie and Brendan Berg for providing the hot lunch this month, as well as Grandma Lucille for tossing in a grilled cheese lunch on behalf of the New Brigden Community Association. Thanks to everyone who contributed to our Christmas Family Dinner on the last day. The food was amazing.

Thank you to Papa Nelson for picking up our water at Sedalia again this month. Thanks to Grampa Sheldon for all the extras he does fixing and shoveling. Also, thanks to Chris for clearing the snow away from the school.

I would like to conclude by wishing everyone a blessed and safe Christmas. May you all find time to relax a little and reflect on 2025, while enjoying the peace and beauty of the season with family and friends. **MERRY CHRISTMAS!**

I look forward to seeing everyone in 2026!
